RE: Cameron et al. v. Apple Inc. (Case No. 4:19-cv-03074-YGR)

January 5, 2024

FILED

CLERK, U.S. DISTRICT COURT
NORTH DISTRICT OF CALIFORNIA

Dear Mr. Busby and Judge Rogers,

This letter comes to the Court from aeowu LLC; Seabaa, Inc.; SomaSim, LLC; and Trinket Studios, Inc. We are all Chicago-based video game developers who are class members in the lawsuit *Cameron v. Apple Inc.* (Case No. 4:19-cv-03074-YGR). We are all friends and share a common office space, although each of our companies is a separate entity with a separate claim. Nevertheless, we have all had similar problems with the settlement administrator in getting the settlement checks that we are owed. Despite our efforts, none of us has been paid yet. The administrator has frequently been unresponsive. Some of us have been reissued checks multiple times (at least, allegedly), and yet nothing ever actually arrives. Information has to be sent and resent. Ultimately, none of us have been paid yet, and the amounts that we are owed are significant (at least, significant to us). Copies of some of our e-mail correspondences with the administrator are included with this letter, but we would like to briefly summarize each of our problems in communicating with the administrator.

I, Greg Wohlwend, am writing on behalf of aeowu LLC. aeowu is Class Member ID CAM5003507-01. I am owed \$5,264.99. This was allegedly paid by Check #104511. aeowu is also the successor in interest to Mikengreg LLC, which is Class Member ID CAM5003507-02 and is owed an additional \$2,799.89. On March 16, 2023, I received confirmation that I had successfully submitted my W9s for each payment. I explained to the administrator that aeowu had bought Mikengreg, and I requested that both payments be made out to aeowu.

On August 22, 2023, I contacted the settlement administrator to say that I still hadn't received either of the settlement checks. Hearing nothing, I followed up on September 9, 2023, asking for confirmation that my request for a reissued check had been processed. It was not until October 10, 2023 that I received a typo-laden response, "Your TIN Match has failed and we have[sic] not received a W9 in order to process the name[sic] change." This is contrary to what I was told I March. I responded the same day, and received a stock e-mail, "You have successfully submitted your W9 Form." That confirmation on October 10 was the last thing that I heard from the settlement administrator. They never confirmed that payment was being sent, and I have not received either payment as of the date of this letter.

I, Sebastian Gosztyla, am writing on behalf of Seabaa, Inc. Seabaa is Class Member ID CAM5003615-01. I am owed \$20,162.20. On March 16, 2023, I was contacted by a man named Deven who said that we worked for Angeion Group, which was the settlement administrator. He said that he needed a W9 form. I received confirmation on March 27, 2023 that the W9 was

successfully submitted. I haven't heard anything from the administrator since then. On October 11, 2023, I e-mailed the administrator to say that I hadn't received payment and to ask for a status update. I followed up again on November 7, 2023. I never got an answer. I also tried to call the phone number listed on the SmallAppDeveloperAssistance.com website. I don't remember the exact dates, but I tried calling a few times, and no one ever picked up. I had originally selected to receive payment by PayPal, so payment should have been quick and direct. However, as of the date of this letter, I haven't received my payment, and I never got confirmation that anyone ever attempted to send the money in the first place.

I, Robert Zubek, am writing on behalf of SomaSim, LLC. SomaSim is Class Member ID CAM5003579-01. I am owed \$6,048.66. This was allegedly paid by Check #102876. I received word from the settlement administrator on June 9, 2023 that the check that they issued on December 20, 2022 had not been cashed. I had never received the check. Per the administrator's instructions, I filled out and submitted an "Affidavit Requesting Check Reissue" on June 13, 2023. The next day, I received an e-mail stating, "your check will be included in our next batch checks."

On August 22, I received yet another notice that I had not cashed the settlement check. I still had never received any settlement check, so the failure to cash it is understandable. I again requested a reissue and was told on August 24, 2023, "At this time we will be processing submissions and anticipate payments to begin mailing ithe[sic] following two weeks." On October 23, 2023, when I *still* hadn't received payment, I sent another follow-up e-mail requesting a status update from the administrator. I never got a response to that e-mail, and the check still has not arrived as of the date of this letter.

I, Benjamin Perez, am writing on behalf of Trinket Studios, Inc. Trinket is Class Member ID CAM5001943-01. I am owed \$6,048.66. This was allegedly paid by check #103308. On June 9, 2023, I received an e-mail from the settlement administrator indicating I had not cashed the settlement check that had been issued on December 28, 2022. I responded to say that I never received the check and to make sure that the administrator had my current address. On June 13, 2023, I was told, "a check will be reissued." When no check came, I sent another e-mail on August 10, 2023 to verify whether the check was actually sent. I received a response on August 14, 2023 from someone who went by "DG" (e-mail address DGinyard@angeiongroup.com) saying, "at this time there have been no reissues sent to your location." On the same day, I replied to DG and again supplied a bunch of identifying information for my claim. On August 22, 2023, I received another notice that I had not cashed the settlement check, although the check still had not arrived. That same day, I sent another email to DG to report the continued lack of said check, but I have never received another response from DG.

On September 13, 2023, I received an e-mail from the e-mail address info@smallappdeveloperassistance.com. It said, "At this time we will be processing submissions and anticipate payments to begin mailing next week." I once again confirmed my address and, on September 25, 2023, I was told that the check had been issued "on 9/22/0223[sic]." I reached out by e-mail yet again on October 6, 2023 to say that the check has still not arrived and to ask when further steps I could take. The administrator responded on October 11, 2023 to say, "We will cancel your current check and reissue via overnight FedEx to mail on 10/18/2023." I followed up on October 23, 2023 to ask for a tracking number, and again on November 2, 2023. I did not receive a response, nor have I ever been given a FedEx tracking

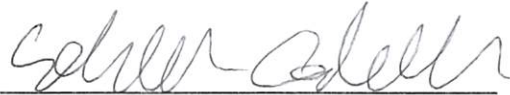

number to verify that the check was ever sent. As of the date of this letter, I have not received payment.

We also note that we are not the only developers who have had problems in getting our payments from the administrator. For example, we know that the Court received a letter in June 2023 from class member George Berry, and another in November 2023 from class member Hugh Gabrielson, each of them complaining about how they had not gotten their payments. We are also aware of a thread on Reddit from April 2023 entitled “Anybody still waiting on their checks for Cameron v. Apple?” in which three different developers complained that they had not received their checks and that the settlement administrator has, e.g., been “giving me the total run-around” and “started ghosting me for the past 2 weeks.”¹ One of those developers also spoke of another user in the r/iOSProgramming subreddit who “implied his checks have been bouncing and then reissued several times.”² We understand that it is not the Court’s job *per se* to advocate on our behalf. However, we have serious concerns about what is going on with the settlement administrator in this case, and we are clearly not alone. We have all tried in vain to resolve our problems directly with the administrator, and reaching out to the Court seems like our last resort. We thank the Court in advance for anything that can be done to remedy the problems that we and our fellow developers are having.

Sincerely,

Greg Wohlwend,

FINAL NOTIFICATION
RESPONSE DEADLINE SEPTEMBER 20, 2023

**FAILURE TO RESPOND WITH INFORMATION THAT MATCHES THE IRS DATABASE WILL RESULT IN
FORFEITURE OF SETTLEMENT PROCEEDS**

July 20, 2023

Mikengreg LLC

This request is from Angeion Group, who is the Settlement Administrator in the *Donald R. Cameron et.al. v. Apple Inc.*, class action lawsuit and is in response to the claim form you submitted in this matter. Your claim CAM5003507-02 has been approved and your settlement payment is \$2,799.89.

This settlement payment is considered income and reportable to you and the IRS on Form 1099-NEC. Prior to issuing you this payment, we need you to complete IRS Form W9 if you are a U.S. Citizen with a social security number or a Form W-8, if you are not. In order to properly complete this form, you must provide your full legal name, mailing address, social security number or tax identification number and signature. Prior to issuing your payment we will verify with the IRS that your full legal name matches the social security number in their records. If your claim and the application developer account for which you filed a claim, is owned by a business entity, the W-9 should be completed in the name of that entity and include that entity's tax identification number. If your claim and the application developer account is individually owned, the W-9 should be completed in the individual's name and include the individual's social security number. If you filed a claim that included multiple application developer accounts that were both individually owned and owned by a business entity, you will be required to complete a IRS Form W-9 for both the individual and the entity.

In order to expedite this process, you may complete an electronic IRS Form W-9 on the settlement website www.smallappdeveloperassistance.com. Your login credentials are noted below.

Notice ID: CAM5003507-02

Confirmation Code: 982162

If you are unable to access the electronic version you may download a W9 or W8 from the settlement website [HERE](#) and email it back to us at Info@smallappdeveloperassistance.com. If you are unable to email it back to us, you may mail it to:

Hi Mr. Gosztyla,

My name is Deven and I work for Angeion Group, who is the administrator in the Cameron v Apple class action lawsuit that you submitted a claim in. We have been trying to reach you for a number of months and have emailed and mailed numerous requests but, have not received a response.

The claim you submitted CAM5003615 has been approved for a settlement payment totaling \$20162.2. Because the basis for these settlement payments is proceeds Seabaa, Inc. earned through your developer account, these settlement proceeds are taxable income and reportable on a 1099-NEC. In order to issue your settlement payment, we need you to complete an IRS Form W9 (if applicable for – Seabaa, Inc.). You may go to the settlement website and submit this online at <https://www.smallappdeveloperassistance.com/submit-w9.php> by using the following credentials: Notice ID CAM5003615-01 Confirmation Code 472510.

If you have questions, you may reach me at: 223-229-4924

If I am not available, please leave a message and I will return your call.

Thanks,

Deven

This request is from Angeion Group, who is the Settlement Administrator in the *Donald R. Cameron et.al. v. Apple Inc.*, class action lawsuit and is in response to the claim form you submitted in this matter. Your claim **CAM5003579-01** has been approved and your settlement payment is **\$6,048.66**.

This settlement payment is considered income and reportable to you and the IRS on Form 1099-NEC. Prior to issuing you this settlement payment, we need you to complete IRS Form W-9, if you are a US Citizen or entity with a U.S. tax identification number or complete IRS Form W-8, if you are a foreign citizen or entity. In order to properly complete this form, you must provide your full legal name, mailing address, social security number or tax identification number and signature. Prior to issuing your payment we will verify with the IRS that your full legal name matches the social security number in their records. If your claim and the application developer account for which you filed a claim, is owned by a business entity, the W-9 should be completed in the name of that entity and include that entity's tax identification number. If your claim and the application developer account is individually owned, the W-9 should be completed in the individual's name and include the individual's social security number. If you filed a claim that included multiple application developer accounts that were both individually owned and owned by a business entity, you will be required to complete a IRS Form W-9 for both the individual and the entity.

In order to expedite this process, you may complete an electronic IRS Form W-9 on the settlement website www.smallappdeveloperassistance.com. Your login credentials are noted below.

Notice ID: **CAM5003579-01**

Confirmation Code: **892425**

If you are unable to access the electronic version you may download a W9 or W8 from the settlement website **HERE** and email it back to us at Info@smallappdeveloperassistance.com. If you are unable to email it back to us, you may mail it to:

Thank you for contacting the Cameron et al. v. Apple, Inc. Settlement Administrator.

To have a new check mailed to you, you must perform one of the following:

1) Return the original check to the following address with a letter or note indicating why it is being returned:

Apple Cameron Settlement Administrator
1650 Arch St, Suite 2210
Philadelphia, PA 19103.

Or

2) Complete and return an affidavit form; you can find it attached to this email. Be sure the form is legible and that it includes your address, phone number and email address on page 2. The check will be sent to the address filled out in that section. When properly completed and signed, you may email or mail the affidavit according to the instructions on the form.

For more information, please visit www.smallappdeveloperassistance.com.

Thank you,
Cameron et al. v. Apple, Inc.

Hi,

Following up on this earlier support ticket. It's been almost two months since the check was presumably reissued to the supplied address, and we've not yet received it. Can you verify that it was sent? Alternatively, and perhaps preferred, is there a way we can receive the settlement electronically?

Thanks,
Ben

Hello,

Per your request I'm continuing the conversation that was taking place via Zendesk.

As a slight bit of extra context, I reached out on June 12th because on June 9th I received an email from info@smallappdeveloperassistance.com indicating that a check had been issued December 28, 2022. However, that email did not indicate where the check had been addressed.

Then, in response to my June 12th email, I received the following response:

Good Day Ben,

Your address will be updated and a check will be reissued.

Thank you,

Cameron et al. v. Apple, Inc.

Settlement Administrator.

www.smallappdeveloperassistance.com

[TH]

But again, about two months have passed and we've not received anything at the updated address.

Here's the identifying information again:

TRINKET STUDIOS

Class Member ID: CAM5001943-01

Check Number: 103308

Check Amount: \$6,048.66

Our business address is:

2017 W Irving Park Rd STE 2F

Chicago, IL 60618

Let me know if you need anything further.

Hi,

Following up again. I received yet another automated email from info@smallappdeveloperassistance.com indicating that a settlement check was mailed but has not been deposited:

Trinket Studios

Class Member ID: CAM5001943-01

Check Number: 103308

Check Amount: \$6,048.66

We mailed you a settlement check in the class action lawsuit, Donald Cameron, et al. v. Apple Inc. (Apple Small Application Developer Assistance Fund).

According to our records, as of August 16, 2023, you have not cashed your settlement check. Please make sure to cash your check.

If you no longer have your check or never received it and want a replacement check to be mailed, contact the Settlement Administrator at: info@smallappdeveloperassistance.com.

All reissue requests must be received no later than September 22, 2023.

In your request for a reissue, please make sure to include the Distribution ID at the top of this notice, the check number you want replaced and the full mailing address that it should be mailed to.

Regards,

Administrator

Again, is there anything I can do to remedy this situation?

Hello,

This pertains to a request to reissue the settlement check for the following claim:

TRINKET STUDIOS

Class Member ID: CAM5001943-01

Check Number: 103308

Check Amount: \$6,048.66

On 03/28/2022, I submitted a claim form for the above named developer account which I administrate. The address I supplied at that time was 3318 Elm Avenue, Brookfield IL, 60513.

On 06/09/2023, I received an email indicating I had not cashed the check that had been issued on 12/28/2022.

On 06/12/2023, I sent an email to this address supplying an updated mailing address for our new office at 2017 W Irving Park Rd, STE 2F, Chicago IL, 60618.

On 06/13/2023, I received an email indicating that the address had been updated to the Irving Park location, and that a check would be reissued.

On 08/10/2023 I sent an email to this address indicating that I still had not received the check at the Irving Park location.

On 08/14/2023 I received a reply indicating that:

We have received your reissue request, at this time there have been no reissues sent to your location. Please contact me at DGinyard@angeiongroup.com so we may further discuss reissue options.

On the same day, I replied to the indicated email address and again supplied all of the information.

On 08/22/2023 I received an email once again reminding me that I had not cashed the supposedly supplied check, and on the same day I sent another email to DGinyard@angeiongroup.com to report the continued lack of said check.

On 08/25/2023 I received a letter in the mail at the supplied Brookfield address that is a copy of the email I was sent on 08/22/2023.

To date I still have not heard anything further from someone at this email address, nor have I received any emails from DGinyard@angeiongroup.com in spite of the directions to email that address off of this support inbox.

Once more, I would like to request a reissue of the settlement check for the claimant information at the top of this email, and/or otherwise communication of any kind from this support channel.

Hi,

We still have not received the check reissued on 09/22. I've reached out to the local post office and there is no mail being held for us with the address I supplied to you.

If the sender was not USPS, is there a tracking number for whichever service was used?

What further steps can we take here? This will have been, to my knowledge, the third attempt to issue this settlement check, all of which have failed to reach us.

Thanks,
Ben

Hi!

Can we get a status update on this? It's been 10 days and the whole point of attempting FedEx was so that we could get a tracking number and figure out what's going wrong.

We receive mail at our address daily and have never had a problem receiving mail. Looking forward to getting this resolved asap.
